

WIND TURBINE TECHNICIAN PROGRAM

Reach for the Sky!

Wind Energy is the fastest growing renewable energy source in Canada and around the world, and we want you to be a part of this growing industry.

We're looking for Métis people interested in becoming Wind Turbine Technicians.

This 26-week intensive program, in partnership with Lethbridge College, combines theory, hands-on lab practice on actual turbines, and on-site work experience to provide you with the knowledge and skills you need to become a Wind Turbine Technician right out of training.

Upon successful completion, you'll have your BZEE Wind Turbine Technician Certification, recognized around the world.

Program runs March 15th — September 1st, 2010
Training Provided in Lethbridge, AB
Application Deadline March 1st 2010
